## RACEBRED TECHNOLOGY

Whether at 130 Knots or 30 Knots, there is no such thing as over engineering.

With an esteemed heritage in offshore racing, every Maritimo is infused with the technological advancements, responsive performance and dependable engineering derived from experience in competition.

Maritimo's pedigree is unmatched, as the only luxury motor yacht manufacturer internationally, with dedicated factory racing division.

# EXPERIENCE THE MARITIMO X-SERIES

Discover a symphonic blend of functionality cloaked in powerful form, the X-Series re imagines the traditional idea of the conventional sport motor yacht.

From a race infused and ocean tested bloodline the X-Series combines unmatched exhilarating performance with long range capability and ocean crossing pedigree.

All X-Series powerful exterior form blanket an innovative and functional web of expansive living and entertaining spaces including a customisable aft cabin featuring a standard 'beach club'.

## THE ULTIMATE ENTERTAINER

The Maritimo X-Series aft cabin gives owners a new level of customisation. With options designed to cater to a range of needs, it is offered in three distinct configurations: a 'beach club', an expansive tender garage or an additional stateroom.

Revolutionizing on-water entertaining, the game changing new 'beach club' design flows effortlessly into all areas of the boat, creating constant connections between guests and the sea.

Alternatively, the aft cabin can be used as an additional stateroom with private ensuite. Enjoy three-sided panoramic ocean views and the ability to transform the swim platform into a makeshift balcony deck with fingertip control from your bedside.

## **AN OPEN PLAN SALOON THAT ELEVATES ANY OCCASION**

Expansive sliding windows and optional sunroofs open to fresh ocean air and endless vistas of the water and skies. Here, the galley flows seamlessly into the cockpit when entertaining, or forward to the lounging and dining area when relaxing.

## DESIGN GENETICS

Built in Australia by leading craftsmen, each distinctive sport yacht is of the highest calibre. Stemming from its illustrious Maritimo bloodline, the new X-Series inherits the timeless elegance and unparalleled abilities in the water of its long range motor yacht predecessors.

Underneath the hand-crafted wood, fine leather and clever ergonomics you will find superior nautical design that provides simplicity, efficiency and cruisability. Whether you prefer days of deep-water action or island hopping weekend entertainment, Maritimo's racing edge and high performance ensure the X-Series is ready for any adventure.
